- Weather:** In the event that the course becomes unplayable due to heavy rain or lightning, play for that evening will be cancelled. We will notify you by email or you may call the golf shop to check on the status of the league for that evening. If more than 50 % of the field finishes during inclement weather there will be no makeup. Be prepared to play if rain is forecasted.
- Makeups:** There are no makeups. Players must make a commitment to play on Tuesdays. In fairness to the field, all players must play under the same conditions. If you miss a week due to illness or vacation we will issue you up to 2 rain checks to play any weekday, however, it will not count towards league play. You must request this from the league manager.
- Etiquette:** Please be ready to strike the ball at your scheduled start time. Keep it moving, no round of golf should take more than 2 hours and 10 minutes. Repair your ball marks, replace your divots and never climb the steep grass slopes of a bunker. Golf cars must be kept on paths on all par 3 holes.
