

2025 Tuesday Morning Fall League Information and Registration Form

- Dates:** Tuesday September 2nd-October 7th
- Fees:** \$175 per session includes green fee, handicap and prize fund
Season Ticket holders pay \$55 per session for administration, handicap and prize fund.
- Tee Times:** Tee times begin at 8:30 am and run every 10 minutes. Tee times are issued on a first come first serve basis. You will have the same time each week.
- Handicaps:** All players will receive a handicap. Your ending handicap last session will be your beginning handicap to start a new session. Players receive 80% of handicap. Your last 4 scores are used for your handicap. The highest score is dropped after 2 rounds. No handicap can increase by 2 strokes from one week to the next. Handicaps will be rounded up to the next whole number (7.5 > 8). Maximum 9 hole handicap is 18.
- Rules:** All play is from the Blue Tees. Seniors over 70 may play white tees. Seniors 75 and over may play the gold tees. Ladies may play the red tees. Preferred lies in your own fairway and bunkers. Ball must be holed, no gimmies. USGA rules apply.
- Format:** All play is individual stroke play, net scoring. The Stableford scoring system will be applied using the USGA scoring standards: Bogey=1pt., Par=2pts., Birdie=3pts., Eagle 4pts. We will also have an optional gross skins game as well as two closest to pin contests each week.
- Prizes:** Your registration fee includes a \$2 weekly prize fund. \$1.50 will go to the weekly payout and \$.50 will be held for the end of the session. The top point winners for each week as well as total points (best 5 out of 6) will be paid out. Prizes will be in the form of golf shop credit.
- Weather:** In the event that the course becomes unplayable due to heavy rain or lightning, play for that morning will be cancelled. We will notify you by email or you may call the golf shop to check on the status of the league for that morning. Be prepared to play if rain is forecasted.
- Makeups:** There are no makeups. Players must make a commitment to play on Tuesdays. In fairness to the field, all players must play under the same conditions. If you miss a week due to illness or vacation we will issue you a rain check to play any weekday, however, it will not count towards league play. You must request this from the league manager.
- Etiquette:** Please be ready to strike the ball at your scheduled start time. Keep it moving, no round of golf should take more than 2 hours and 10 minutes. Repair your ball marks, replace your divots and never climb the steep grass slopes of a bunker. Golf cars must be kept on paths on all par 3 holes.
